AWARENESS

Reduce your risk of COVID-19

World Health Organization
Western Pacific Region

Clean your hands often

Cough or sneeze in your bent elbow – not your hands!

Avoid touching your eyes, nose and mouth

Limit social gatherings and time spent in crowded places

Avoid close contact with someone who is sick

Clean and disinfect frequently touched objects and surfaces

Have questions about COVID-19?

PROTOCOLS

NOTICE OF USING ATM AMID COVID-19 EPIDEMIC

The infographic illustrates safety protocols for using an ATM. It shows a person at an ATM machine with a queue line. Key instructions include: 'Minimise direct contact' (shown with a hand icon), 'Wash hand with soap/sanitiser after each transaction' (shown with a hand icon), 'Wear face masks, keep distance of at least 2m' (indicated by a distance line between two people), and 'Litter the prescribed places' (shown with a green recycling bin icon). A box at the bottom left states 'Do transactions at ATMs with no more than two people'. The source 'infographics.vn' is at the bottom left, and 'TTXVN' is at the bottom right.
