Assertive Communication:

- Be clear and direct without being confrontational. State your needs and feelings using "I" statements rather than blaming the other person (e.g., "I feel overwhelmed when..." rather than "You always...").
- Tip: Practice using "I" statements to express emotions without triggering defensiveness.

Enrichment Programme. The teachers of APS ABOHAR attended various webinars/online teachers' enrichment Program/ Workshop/ Webinar.

FIT INDIA-CYCLOTHON & MARATHON

EDUCATION
